What does the *hi HealthInnovations'* Protection Plan include?

Protection Plan is only available on a pair of devices at the time of purchase. The Protection Plan will not be available after purchase.

- ✓ Provides one replacement per device for lost device within the first year, or for damaged device if not repairable within 3 years from the device purchase date.
- ✓ Damaged device must be returned to *hi HealthInnovations* in order to receive the replacement. Replacement device will be the same or similar model if the original model is not available. Shipping charge will apply.
- ✓ Extends the manufacturer warranty to 3 years from the device purchase date. Shipping charge will apply.
- ✓ If needed, maintenance service will be available at no charge during the 3 year protection plan period. Shipping charge will apply.

Please note the Protection Plan is:

- ✓ Not transferrable.
- ✓ Not refundable unless devices are returned for refund within 70 day trial period.
