

hi HealthInnovations[®] Bill of Sale

HEARING AIDS

1. **WARRANTY.** We provide a three year warranty on each hearing aid and companion microphone, starting on the date that we ship the purchased items to you. During the three year warranty period, if at our examination it is determined that the device failed to work due to parts, materials or workmanship, the device will be repaired or replaced for \$149. (Within the first year, \$149 warranty service fee will be waived.) This warranty does not cover malfunctions due to unusual wear and tear, unauthorized alteration or mistreatment of the device, such as physical shock, damage from moisture or sweat, excessive wax build-up, or tampering with the instrument, all of which void the warranty. This warranty does not cover batteries, ear tubes & tips, and accessories. *hi HealthInnovations* is the only authorized service center for your warranty service. Please contact Customer Service at 1-855-523-9355 to obtain a return authorization code and a shipping label.

OPTIONAL PROTECTION PLAN. Protection Plan can be purchased at the time of new hearing aid purchase to protect against lost or damaged aids. The protection plan will not be available after purchase and does not provide coverage for the companion microphone.

- Provides one replacement per aid for loss or damage if the aid is not repairable within three years from the aid purchase date. Damaged aid must be returned to *hi HealthInnovations* in order to receive the replacement. Lost device replacement will require a signed statement of loss in order to receive the replacement. Replacement aid will be the same or similar model if the original model is not available. Shipping charge will apply. Please contact Customer Service at 1-855-523-9355 to obtain the statement of loss form or a shipping label.
- Waives the year two and three warranty service fee (\$149). Shipping charge will apply.
- If needed, maintenance service will be available at no charge during the 3 year protection plan period. Shipping charge will apply.

The protection plan is not transferrable. It is not refundable unless aids are returned for refund within 70 day trial period.

2. **70-DAY TRIAL PERIOD AND MONEY-BACK GUARANTEE.** You may cancel your hearing aid and companion microphone (if applicable) purchase for any reason and receive a refund of the purchase price at any time prior to midnight of the 70th calendar day from the shipment date listed on the Bill of Sale. Applicable shipping fees will be deducted from the refund amount. To cancel your purchase, you must send written notice of cancellation along with your hearing aid(s) and companion microphone (if purchased), using a shipping label that we provide to you and postmarked within the 70 day period. Send to the following address:

hi HealthInnovations
P.O. Box 356
Minneapolis, MN 55440

To obtain a shipping label, contact Customer Service at 1-855-523-9355. You must return the device(s) to us within 10 days after you receive a shipping label. We will refund your payment within 10 days after we receive your written notice of cancellation and your returned device(s). We will be responsible for lost packages only if you use our shipping label. Do not send via certified mail or private delivery services (such as Fedex or UPS); as items sent this way cannot be delivered to our P.O. Box.

You may fill out and send us the attached NOTICE OF CANCELLATION, or you may send us some other form of written notice stating that you want to cancel your purchase.

If you cancel this Agreement, you must return the device(s) to us in the same or substantially similar condition as they were when you received them. If the device(s) have been damaged beyond normal wear and tear, we may deduct the reasonable costs incurred in repairing the device(s) to make them suitable for resale. If the device(s) have been damaged beyond repair, we will not refund your purchase price. On returned purchases that include a companion microphone, *hi HealthInnovations* will deduct a wireless service fee of \$69.

EXCHANGES. During the 70-day trial period, *hi HealthInnovations* will charge a fee of \$100 per aid plus applicable shipping fees to exchange a hearing aid that the company determines is functioning normally. This \$100 exchange fee per aid is incremental to any price difference between models. For example, an exchange fee will be charged if a customer exchanges an aid for a different model or the same model of a different color. Aids returned for repair or replacement due to malfunction are not subject to exchange fees, nor are aids returned for refunds without replacement. However, an exchange fee will be added to the purchase price of an aid if the customer has received a refund for a previously purchased aid up to 180 days prior to the current date of purchase. Applicable shipping fees will be applied.

Once the 70-day trial period has expired, exchanges and refunds are not permitted.

NOTICE FOR RESIDENTS OF ALASKA, MAINE, AND NEW YORK – Return for Medical Reasons Within One Year of Shipment. If you are a resident of Alaska, Maine, or New York, you may cancel your hearing aid purchase and receive a full refund of the purchase price if you receive an opinion from a physician or audiologist stating that the hearing aids you purchased from us are not advisable for you. To cancel your purchase for this reason, you must give or mail (a) written notice of cancellation and (b) a written opinion from your physician or audiologist stating that the hearing aids you purchased from us are not advisable for you.

Your written notice of cancellation must be postmarked within the one year period from the date that we ship the Purchased Items to you and sent to us at the address above. All other terms, conditions, and processes described in the 70 Day Trial Period and Money Back Guarantee apply.

3. **SERVICES AVAILABLE.** Post-fit adjustments to your hearing aids are available upon request. Adjustments are provided free of charge. You are responsible for the cost of shipping the aids to us. Customers will also have the ability to speak with licensed hearing aid dispensers and/or audiologists upon request. These services are available only to the customers who purchase hearing aids directly from us. We cannot support hearing aids that have not been purchased directly from us.

NON-COVERED SERVICES. *hi HealthInnovations* offers the following services that typically are not covered by health benefit plans or insurance including batteries, telecoil, wireless, companion microphone and other accessories, ear molds/fittings, repair or shipping costs. In some circumstances, one or more of these services may be necessary in order for *hi HealthInnovations* to dispense hearing aids to you. Depending on your health benefit plan, hearing aids may also not be covered. If you elect to receive one of these non-covered services or aids, you will be responsible for the full amount charged. *hi HealthInnovations* will provide an estimate of these charges before these services are provided.

4. **MEDICAL OPINION. Customer has been advised at the outset of Customer's relationship with *hi HealthInnovations* that any examination or representation made by a hearing aid provider in connection with the practice of dispensing, fitting, or dealing in hearing aids is not an examination, diagnosis, or prescription by a person licensed to practice medicine and, therefore, must not be regarded as medical opinion or advice. This hearing aid will not restore normal hearing nor will it prevent further hearing loss.**
5. **NOTICE FOR PURCHASERS OF MODELS WITH AUDIO SWITCH TECHNOLOGY.** Models that contain a telecoil (also known as an audio switch, t-coil, or t-switch) receive electromagnetic signals directly from a telephone or other assistive listening aid. The telecoil setting turns off the aid's microphone so that you can hear more clearly on the telephone or other assistive listening aid. After finishing the telephone call or use of the assistive listening aid, you can change the program back to your preferred setting. For more information about the telecoil setting, contact Customer Service at 1-855-523-9355.

EAR MOLDS AND ACCESSORIES

1. **EARMOLDS.** The power plus model may require an ear mold and the power max model requires ear molds. Ear molds are provided separately from the hearing aids and have an additional, non-refundable charge. *hi HealthInnovations* does not provide a warranty for ear molds.
2. **ACCESSORIES.** Charges for accessories (such as tubes, tips, or batteries) and hearing aid dryers are non-refundable.
